Complaints raised with Highways department – Current position obtained from HIMS and correspondence with Highways Department.

Ref. number	Description	Current position
W1980950755	Drainage gutter at the base of the embankment next to Spa House has become blocked, causing highway drainage water to overflow onto a public footpath, which then flows into the CNDR underpass west of Spa House.	Update from Cllr. Allison and Cllr. Wade following site visit.
W1880937829	Before entering Stainton there is a triangle of grass which is common land. Kingmoor Parish Council would like to know if the council can erect a directional sign (like a traditional finger post) that will point the way to Stainton Village, the CNDR roundabout and Etterby.	Email has been received from Selena Nicholson confirming what works will be carried out re signage in Stainton: - <i>"A brief update on what was discussed and what works we are able to carry out..."</i>
W1880949164	Additional Signage between Stainton Village and the CNDR roundabout to remind HGV drivers that there is a HGV ban between 17.00hrs and 7.00am on this stretch of the road.	<i>Village Sign - Renewal (may already be done)</i> <i>Dead End Signs - 2 to be erected either side of road as you enter the village</i> <i>HGV Sign - Will be relocated and mounted higher than the existing</i> <i>Road Markings - Refresh Give Ways</i> <i>Signage indicating City Centre - I'm afraid CNDR section can't do this as none of the roads lead straight into the City Centre."</i>
W2080989999	Footpath leading into Cargo village – request for the footpath to be cleaned.	Have been supplied with a new reference number for this request which has been added to the maintenance programme.
