Kingmoor Parish Council Highways complaint schedule March 2020

Complaints raised with Highways department – Current position obtained from HIMS and correspondence with Highways Department.

Ref. number	Description	Current position
W1980950755	Drainage gutter at the base of the embankment next to Spa House has become blocked, causing highway drainage water to overflow onto a public footpath, which then flows into the CNDR underpass west of Spa House.	According to D. Bell the matter is resolved and a shrub has been removed which was causing the blockage.
W1880937829	Before entering Stainton there is a triangle of grass which is common land. Kingmoor Parish Council would like to know if the council can erect a directional sign (like a traditional finger post) that will point the way to Stainton Village, the CNDR roundabout and Etterby.	Further email has been received from S. Nicholson confirming what works will be carried out re signage in Stainton: - The works have been ordered and hopefully they will be completed by the end of March. Also the Village Name plate is being renewed but due to it being damaged the renewal is undertaken by a different department but I have been informed that the sign and works have been ordered.
W1880949164	Additional Signage between Stainton Village and the CNDR roundabout to remind HGV drivers that there is a HGV ban between 17.00hrs and 7.00am on this stretch of the road.	
W2080997737	Blocked drain	Completed
