Introduction

Kingmoor Parish Council is committed to ensure that its Clerk and Councillor’s are provided with the training they require to ensure they can carry out their duties to the best of their abilities, are up to date with all current legislation and are trained to a high standard to ensure that they are able to deliver the Council’s strategic priorities efficiently.

Policy Statement

The Council is committed to the provision of training and development to help raise the Council’s overall performance and will comply with equal opportunities and other Council policies when assessing training and development needs.

The training and development policy is aligned with the Council’s overall priorities and objectives, forms part of the overall performance management of the Council and gives due regard to the personal development needs of individuals.

The Clerk is responsible for procuring or providing the necessary training to ensure that everybody is suitably equipped with the skills and knowledge needed to fulfil their duties to the parish and residents.

The Council recognises that because of its size most formal training will be provided by outside bodies. Therefore close links have been established with various training providers including Carlisle City Council, Society of Local Council Clerks, National Association of Local Councils and the Cumbria Association of Local Councils.

To ensure these aims are achieved a training budget is allocated to enable Members of the Council and the Clerk to attend any relevant training and conferences throughout the year.
