### **Kingmoor Parish Council Highways complaint schedule September 2017**

Unresolved complaints raised with Highways department

<b>Reference number</b>	<b>Description</b>	<b>Current position</b>
CT/1400742	Due to the lack of maintenance since the construction of the CNDR roundabout, a drainage gutter at the base of the embankment next to Spa House has become blocked, causing highway drainage water to overflow onto a public footpath, which then flows into the CNDR underpass west of Spa House. The nearby Pow Beck also requires cleaning out, either side of the CNDR, to maintain field drainage. The septic tank overflow for Spa House empties into Pow Beck and will benefit from an unobstructed discharge."	The site has been inspected by the County Council's maintenance contractor and they will look to clean out the ditch and either side of the Pow Beck culvert although will consult with the City Council and possibly the Environment Agency to check what permissions are required for working near this water course. Once they have this information they will look to programme in as soon as possible. The Engineer who inspected the gutter is on annual leave he has been asked to contact the Clerk on his return.
W171441573	Crindledyke Close – unmade footpath and strip between footpath and road	Cllr. Ruddick has undertaken a site visit with Gareth Scott, Highway Network Manager.
